Regardless of your race, gender, religious beliefs, political leanings, you have the basic human right to defend yourself and the ones you love.

Gun Owners' Action League (GOAL) has launched this project to educate and assist people of all walks of life in their effort to take responsibility for their own safety.

A restraining order is an important legal step, but it is only a piece of paper. It won't help you, or your loved ones, when an attacker is through your front door!

**If you believe you are in immediate danger,
don't wait - call 911 immediately and get help!!!**
